Hello everyone,

I also wanted to attach the ISHA information flyer on the Line Crew Ground Support training program starting this summer in Ottawa at 2515 St. Laurent Boulevard. Please feel free to distribute this information throughout your network.

I have also attached a YouTube video to this email about the training program.

As graduates of this program begin to see real world success, the Line Crew Ground Support Training Program is proving to be beneficial – not just from a health and safety perspective, but also from an industry resource perspective. This video briefly summarizes the success seen within the Line Crew Ground Support Training Program at Cambrian ...

I have been asked to remind you that the deadline for applicants to this program in June 10th, 2019. IHSA is trying to maintain their tight schedule in delivering the training, so it is important to keep this information in mind when recommending applicants to the program.

Have an excellent weekend!

If you have any questions or concerns, please don't hesitate to contact me.

Sincerely,
